

Foxgear's Korus is a vintage sounding analog chorus effect that goes from a simple chorus to a vintage vibe, depending on the setting of controls. Super transparent, it doesn't affect your original sound, absolutely noise-free, true bypass; the best you can ask from a chorus. We hate chorus noise, don't you? Leave the noise behind and keep the rich chorus with the Korus, by Foxgear.

## CONTROLS:

**RATE:** Set the speed of the LFO  
**DEPTH:** Set the amplitude of the effect  
**MIX:** Set the amount of effect applied on the clean signal

## TECH SPECS.
